

FALKE Autumn/Winter 2020/21

### **FALKE Baby and Kids**

Divided into different categories, the new Falke Baby and Kids Autumn/Winter 2020/2021 Collection offers a broad range of products that are a perfect fit for the cold but cosy season.

#### **FALKE Kids**

Autumn Time: The combination of coarse yarn with a pattern in harmonising colours lends the **FALKE Pepita Tweed** socks a particularly comfortable and rustic look.

A more girlish style is conveyed through the 360 degree floral pattern and glittering lurex yarn of the **FALKE Autumn Flower Print**.

Travel Tech: The **FALKE Tech Car** socks with their cool racing car design will convince every small technology aficionado.

Lights off, socks on - the glow-in-the-dark yarn makes the cuffs and the outlines of the aeroplane motifs on the **FALKE Airplane** glow in the dark.

Clean + Simple Chic: A bow made of Swarovski® elements at the shaft of the **FALKE Twinkle Bow** will make every girl's eyes sparkle.

The mini-me version of the **FALKE Oxford** with two-tone vertical stripes lets father and son shine in partner look.

Winter Sports: The **FALKE Active Cable**, with a coarse plait pattern at the shaft and neo-coloured cuffs, as well as the **FALKE Active Colour Chevron** in a modern colour block look are ideal for sports activities in autumn and winter.

#### **FALKE Baby**

Heritage Comfort: The high-quality mixture of cotton and cashmere makes the **FALKE Baby Cashmere Rib** tights particularly soft and cosy.

Cute Animals: Baby feet look even cuter with the charming penguin face and the turn-up cuff made of full plush of the **FALKE Baby Penguin**.

#### **125 years Special**

For the 125th anniversary, FALKE presents the **FALKE Baby Falcon** and the **FALKE Little Falcon** with contrasting cuffs and toe area, and a playful falcon motif as a symbol for the brand name.
