FALKE Men's Legwear Autumn/Winter 2019/20

## **Nirvana**

Escaping the fast-paced world and savouring the moment: This is an absolute must from time to time in order to find oneself and be able to accept change, especially in today's globalised, constantly changing world. With its Men's Legwear Collection Autumn/Winter 2019/20, FALKE embarks on an emotional journey through mysticism, spirituality and symbolism. Vibrant and bright colours from the world of spiritualism merge with dark tones inspired by occultism and the supernatural. Inspired by druidism, the collection is rounded off by the natural colours of the wild and rugged nature of Scottish coasts and landscapes.

FALKE Men's Legwear highlights:

**FALKE Milky Way** Minimalist stars, moons and suns create an elegant pattern on the viscose socks for a modern, classic business style.

**FALKE Mindfulness** The 360° print articles with special motifs and brilliant colours thanks to mercerised cotton create strong contrasts and lend a stylish look to the trendy man.

**FALKE Royal Clash** A classic checked pattern is combined with elegant paisley to create a modern design that catches the eye when worn with an elegant suit.

**FALKE Land Energy** This wintery style with a bulky camouflage look thanks to various effect yarns is reminiscent of the wild landscape of the Scottish Highlands and can be perfectly combined with casual outfits.

**FALKE Faded** The coarsely knitted boot socks with a masculine, rough effect thanks to a bulky yarn with a washed out finish is the perfect companion for rustic boots.

### **FALKE Luxury Christmas special**

The luxurious FALKE Occult Elite knee highs with a slight sheen and a high-quality combination of merino and silk, featuring an exclusive embroidery in the style of an all-seeing eye, are the highlight for a distinctive look.
