FALKE Ergonomic Sport System Autumn/Winter 2019/20

### **FALKE Apparel**

Sporty jackets, trousers and tops made of functional materials in the proven FALKE fit and high quality make the Apparel collection stand out. Timeless designs that flatter the silhouette and feature special details make sports more fun. Convince yourself of the FALKE innovations:

#### **Women**

**FALKE Ceremony Jacket** The highlight for athletes is the new FALKE rain jacket in plain design with a high collar that protects against the wind. The wool lining on the inside also keeps you comfortably warm.

**FALKE Adrianna Body** A modern stand-up collar and the three-quarter sleeves of the body make it the perfect companion for yoga exercises or fitness training.

**FALKE Peak Shirt** The short-sleeved shirt in two trendy colours features small cutouts at the waist for a particularly feminine silhouette.

#### **Men**

**FALKE Tour Shirt** The casual men's shirt in Space Blue with halfzip and comfortable fit is ideal for a variety of sports.

**FALKE Max Longsleeve** The sporty long sleeve in retro design is not only an eye-catcher, but also pleasant to wear thanks to its polyamide/elastane blend.

**FALKE Chrome Longsleeve** The long sleeve with stand-up collar keeps the body warm with its virgin wool blend and convinces with its modern colour blocking and tonal colours. A special feature of the seamless shirt is the extraordinarily soft and tight ribbed collar.

### **FALKE Underwear**

**New: FALKE Arctic** The new ski underwear with warming plush on the inside keeps the body pleasantly warm even in the freezing cold. Moreover, the long-sleeved shirts and long tights are perfect in combination with FALKE ski socks.

**Trend articles** In the FALKE Maximum Warm, Warm and Wool-Tech underwear lines, trendy seasonal articles are offered that make a special statement. Elegantly striped details, shoulder lines and coloured inserts turn the tops into mid-layers that flatter the body.
